O R D E R:

In the G.O. 2<sup>nd</sup> read above, administrative approval was accorded for an amount of Rs. 35.00 crores to execute the work of Construction of flood protection wall along Buggavanka and construction of 2 Nos. of Double lane High level bridges in Kadapa town of Kadapa District. The Engineer-in-Chief (I) has informed that the work was entrusted during August 2005 to M/s. E.C.C.I Ltd Chennai for Rs.26.162 crores and for completing within 18 months. Based on the proposal of the Engineer-in-Chief (I), instructions were issued in the reference 4<sup>th</sup> read above for terminating the contract. The ENC (I) in his letter 5<sup>th</sup> read above, requested Government to accord revised administrative approval for an amount of Rs.55.00 crores to execute the work. Revised administrative approval was accorded for an amount of Rs.55.00 crores in the G.O. 6th read above.

2. The Engineer-in-Chief (I) informed that to get the work executed, tenders were called for three times on 16.10.2007, 25.1.2008 and 19.2.2008 by the Superintending Engineer, Irrigation Circle, Kadapa. There has not been any response for these three calls.

3. He has reported that the subject work is not the original work but only a balance work which is not in continuous stretch which adversely affects the progress of work. The working area is located in sandy soils and continuous balance out water is involved as the drainage of the nearby 2000 houses will be let into Buggavanka. Dismantling of encroachment is also an issue and is frequently objected by the dwellers. As such, the issue was reviewed on 18.2.2008 and as per the decision taken in the meeting, the Engineer-in-Chief (I) was instructed to examine the possibility of entrusting the work on nomination / selection basis.

(Contd.2)

4. Further, the District Collector, Kadapa in the D.O. letter 7th read above, has also requested the Government to take up the works of Buggavanka Project as per the decision taken in the review meeting held on 18.2.2008.

5. Accordingly, the superintending Engineer, Irrigation Circle, Kadapa invited price bids on 28.03.2008 and selected (5) contractors as shown below in terms of provisions contained in G.O. first read above:

- i) Indu Projects Ltd. Hyderabad,
- ii) M/s R.K. Engineers, Hyderabad
- iii) Sri T.Bhanu Prakash Reddy, Adilabad
- iv) M/s. Soham Engineering Constructions, Hyderabad
- v) M/s. Lanco Industries (P) Ltd, Hyderabad.

6. The Engineer-in-Chief (I) placed these proposals before the committee consisting of the following members in terms of orders issued in G.O. first read above:

- i) Commissioner of Tenders;
- ii) Engineer-in-Chief (Irrigation) & concerned Chief Engineer

7. The committee verified the tenders of the above tenderers in the meeting held on 9-4-08 and keeping in view the non-response of 3 calls and the reasons explained by the superintending Engineer, Irrigation Circle, Kadapa, the Committee has recommended to Government to approve the lowest bid of M/s Indu Projects Ltd, Hyderabad for Rs.4,326.867 lakhs for early completion of the work without further loss of time

8. The Engineer-in-Chief (I) while forwarding the minutes of the meeting of the Committee, has requested the Government to issue orders to entrust the work of Construction of flood protection wall along Buggavanka and construction of high level bridge near Old Bus Stand leading to Ravindranagar in Kadapa town of Kadapa District" to M/s. Indu Projects limited, Hyderabad for Rs.4326.867 Lakhs keeping in view the non-response of 3 calls and the reasons explained by the superintending Engineer, Irrigation Circle, Kadapa.

9. Government after careful examination of the matter, hereby accord permission to the Engineer-in-Chief (Irrigation), Hyderabad to award the above work i.e., "Construction of flood protection wall along Buggavanka and Construction of high level bridge near Old Bus Stand leading to Ravindranagar in Kadapa town of Kadapa District (Balance work)" to M/s. Indu Projects limited, Hyderabad for Rs.4326.867 lakhs (Rupees Forty three crores twenty six lakhs eighty six thousand and seven hundred only)

10. The Engineer-in-Chief (Irrigation) shall take necessary further action accordingly in the matter.

(Contd.3)

:: 3 ::

10. This orders issues with the concurrence of Finance (W&P) Department vide their U.O. No.9915/907/Exp.PW.I/2008, Dated: 02/08/2008.
